

Voice over script of Teaser Video of project 'The Rivium'

Date : 01-01-26 | Draft - 4

Duration : ~ 2 min (Word Count : 239)

Surat is rewriting its skyline... and a new corporate landmark is arriving.

Introducing... The Rivium.

A riverside corporate tower in one of Surat's most dynamic growth corridors.

Developed by the trusted Rajveer Universal and Aangan Group, The Rivium places you at the centre of the city's expanding corporate, healthcare, and retail ecosystem.

This iconic 11-storey tower offers,
300- 370 sq. ft. high-street retail shops,
and 410–850 sq. ft. flexible, column-free offices, expandable up to 3,200 sq. ft. column-free floor plates — perfect for corporate brands, premium retail, doctors, healthcare & professional firms.

Located in central Adajan, right in the lane of BAPS Hospital,
just 1 km from Sardar Bridge, Cable-Stayed Bridge & LP Savani Road.
With the upcoming Adajan Metro Station just 1 minute away - offering seamless access to Athwa-Nanpura-City Light, as well as Pal–Palanpore–Bhesan corridor and the entire city.

With 2 large lifts, an owner's lift, a service lift, fire-escape staircases, individual and common toilets, and a dedicated ambulance bay, The Rivium is hospital-ready from day one.

A double-height grand reception sets a premium tone.
River-facing offices feature 12-ft heights, 10-ft wide passages, private standing balconies in every unit, and full-glass elevation with 30% openable windows for fresh air and natural light.

Two-level basement parking, along with ample ground parking — ensuring effortless access for all.

In a market short of true Grade-A spaces —The Rivium is your strategic advantage.

The Rivium. Not just a workplace — a bold declaration of success.
